What is a Samsung 25W wireless portable battery?

This is Samsung's premium 10,000mAh power bank, from the build materials to the charging speeds. The Samsung 25W Wireless Portable Battery packs a pair of USB-C ports and a rubber Qi charging pad on the front panel. You can tap into rates up to 25W with either charging port, and the pad tops out at 7.5W of wireless juice.

Is the Samsung Galaxy S21 a good power bank?

If you call the Samsung Galaxy ecosystem home, this is the power bank to buy — even if it is a little pricey. The Samsung 25W Wireless Portable Battery packs USB PD PPS to charge the Galaxy S21 series at top speeds, and the durable metal design feels built to last.

Which Samsung power bank is best?

The Samsung 25W Wireless power bank is easily the best if you're loaded up on Samsung devices. It's one of very few to support USB Power Delivery PPS, which means you can tap into Samsung's best speeds. You won't quite reach the 45W cap on the Galaxy S20 Ultra, but 25W is suitable for everything from Galaxy Buds to the entire Galaxy S21 series.

How many Watts Does a power bank charge?

You can tap into rates up to 25W with either charging port, and the pad tops out at 7.5W of wireless juice. It supports USB Power Delivery PPS and Power Delivery 3.0, along with both Quick Charge 2.0 and 3.0. The power bank itself is metal, with the previously mentioned rubber charging pad to keep your devices from sliding around.

What is a wireless charger portable battery?

A portable charger that fast charges wirelessly! On-the-go power meets wireless charging. The Wireless Charger Portable Battery 25W quickly and

conveniently charges your smartphone or Galaxy Watch Active2, so you don't have to worry even when there's no outlet in sight.

Why should you buy a 25W 10 Mah Wireless battery pack?

Customers are satisfied with the 25W 10,000mAh Wireless Battery Pack's long-lasting battery life, ease of use, and compact size, finding it convenient for charging various devices on the go. Many appreciate its compatibility with Samsung products, including newer models.
