

## Solar Storage Container Solutions

# Abu Dhabi energy storage equipment production and assembly

## Overview

---

Why is UAE launching a solar power and battery storage project?

The launch of the solar power and battery storage project marks a pivotal moment in the clean energy transformation, allowing renewable energy to be dispatched 24 hours a day, seven days a week, reaffirming the UAE's position as a global pioneer in renewable energy deployment.

What is EWEC doing in Abu Dhabi?

Located in Abu Dhabi, the project will feature a 5.2 gigawatt DC solar photovoltaic plant, coupled with a 19 gigawatt-hour battery energy storage system, setting a global benchmark in clean energy innovation. "In collaboration with EWEC and our partners, we will develop a renewable energy facility capable of providing clean energy round the clock.

Who will build 'round the clock' solar-plus-battery storage in Abu Dhabi?

Masdar, the Emirati state-owned renewable investment company, has announced preferred contractors and suppliers for the world's first giga-scale 'round the clock' solar-plus-battery storage project in Abu Dhabi.

What is the largest combined solar and battery energy storage system?

Delivering up to 1 gigawatt (GW) of baseload power every day generated from renewable energy, it will be the largest combined solar and battery energy storage system (BESS) in the world.

Why should we invest in the UAE energy sector?

Guided by the UAE leadership, this united effort within the energy sector powers the nation's technological advancement, ushering in a new era of intelligence, resilience, flexibility, and commercial opportunity while ensuring sustainable and uninterrupted energy for exponential growth.

Who will supply battery energy storage system (BESS) equipment?

Utility-scale renewable energy developer-operator Masdar said on Friday (17 January) that it has selected CATL to supply battery energy storage system (BESS) equipment alongside fellow Chinese companies Jinko Solar and JA Solar as solar PV module suppliers.
