Accra Energy Storage Project 2025

Overview

What is Refa 2025?

REFA 2025 is supported by GET.invest, a leading European programme that mobilises investment in clean energy, co-funded by the European Union, Germany, Norway, the Netherlands, Sweden and Austria. The conference will be attracting 500 delegates from the global renewables industry, looking to develop their activities across the African continent.

When is Africa 2025?

This year AFRICA 2025 will take place on July 8-10, 2025, in Accra, Ghana. The technical exhibition will showcase the most active and innovative companies in the hydropower and dams industry worldwide. ANDRITZ is proud to be a sponsor, presenting technical papers and offering a booth space for discussions amongst the participants.

Who supports Refa 2025?

REFA 2025 is supported by GET.invest, a leading European programme that mobilises investment in clean energy, co-funded by the European Union, Germany, Norway, the Netherlands, Sweden and Austria. The forum will once again focus on 2 key aspects:
