# Azerbaijan Gigawatt Solar Park

## Overview

---

Masdar has signed agreements for solar and onshore wind projects with a total capacity of 1 gigawatt (GW) in Azerbaijan, following the inauguration of the region's largest operational solar plant, the 230MW Garadagh Solar Park. Is Azerbaijan a solar powerhouse?

Baku; October 26, 2023: Abu Dhabi Future Energy Company PJSC – Masdar, the UAE's clean energy powerhouse, has signed agreements for solar and onshore wind projects with a total capacity of 1 gigawatt (GW) in Azerbaijan, following the inauguration of the region's largest operational solar plant, the 230MW Garadagh Solar Park.

Will a 230 MW solar power plant be built in Azerbaijan?

On January 9, 2020, the Ministry of Energy of the Republic of Azerbaijan and Masdar Company of the United Arab Emirates signed an Implementation Agreement. According to the Agreement, pilot project will be implemented for the construction of solar power plant with a capacity of 230 MW by "Masdar".

Who inaugurated the 230mw Garadagh solar park in Azerbaijan?

HE Ilham Aliyev, President of the Republic of Azerbaijan, HE Dr Sultan Ahmed Al Jaber, UAE Minister of Industry and Advanced Technology, COP28 President-Designate, and Chairman of Masdar, along with senior UAE delegation, inaugurate the 230MW Garadagh Solar Park in Azerbaijan.

Will Azerbaijan become a green energy producing and exporting country?

Azerbaijan is pleased to realize its strategic goals as a green energy producing and exporting country with Masdar and these projects will play an important role in increasing the share of renewable energy sources in electricity generation capacity to 30 percent by 2030.

What are Azerbaijan's strategic agreements?

The strategic agreements cover the progression of the first phase of a 10GW

pipeline of renewable energy projects in Azerbaijan signed in June 2022. This follows the successful development of Garadagh, Azerbaijan's first foreign investment-based independent solar power project, and the largest solar plant in the region.

Why is Azerbaijan partnering with Masdar?

Azerbaijan is a key strategic partner for Masdar and the signing of these additional agreements today pave the way to accelerate the scale of Azerbaijan's clean energy vision. Garadagh is the first in a number of potential projects to develop onshore wind, offshore wind, solar and green hydrogen with a total combined capacity of 10GW.
