Battery storage box processing factory in Portugal

Overview

Will China build a lithium-ion battery factory in Portugal?

Chinese battery manufacturer CALB has confirmed its plans to build a production facility for lithium-ion batteries in Portugal. The factory with an annual capacity of 15 gigawatt-hours is intended to start production in 2028. According to CALB, the investment amounts to two billion euros.

Why should Portugal invest in a battery factory?

“Our factory will not only create new jobs but will also place Portugal at the forefront of the production of batteries for electric vehicles in Europe,” he highlights. According to CALB, “this strategic investment” aims to “reinforce its presence in the European market for electric vehicles (EV) and energy storage systems (BESS)”.

Why should Portugal be a reference space for innovation in batteries?

To promote the national value chain and innovation ecosystem in the international market for energy storage technologies and materials, positioning Portugal as a reference space for innovation in batteries.

Can Portugal build a fully integrated lithium supply chain?

Alongside Spain, Portugal is leveraging its abundant lithium deposits to build a fully integrated supply chain, covering: Strengthening Europe’s battery ecosystem by reducing reliance on Chinese manufacturers will enhance supply chain security and create a more resilient local production network for lithium-ion batteries.

What is battery Cluster Portugal?

Contribute to positioning Europe as a leader in battery technology and production Mitigation of the climate crisis Open to technology, innovation, and the creation of added value Battery Cluster Portugal é uma associação sem fins lucrativos que incentiva a I&D e os negócios relacionados com sistemas

de armazenamento de energia.

Will China build a lithium battery factory for cars?

The project to build a lithium battery factory for cars owned by the Chinese company CALB in Sines, with 15 GWh (Gigawatts/hour) of energy storage, is launched.

Battery storage box processing factory in Portugal

CALB to Invest \$2.09 Billion in Electric Vehicle Battery Factory ...

Feb 26, 2025 · China's CALB to Invest \$2.09 Billion in EV Battery Factory in Portugal On February 21, 2025, China's CALB, one of the largest electric vehicle (EV) battery ...

EDP Installs Battery Storage at Bondalti Factory in Estarreja ...

Mar 13, 2025 · EDP has announced the installation of battery storage systems at the Bondalti factory in Estarreja, Portugal. The batteries are designed to store solar energy and can ...

China's CALB to invest USD 2.09 billion in EV ...

Feb 22, 2025 · CALB said its first factory in Europe would create 1,800 direct jobs, expecting it to represent more than 4per cent of Portugal's GDP when the ...

Galp and Powin to build large-scale energy storage system in Portugal

Feb 7, 2024 · Global energy storage platform provider Powin LLC and Galp, Portugal's leading

integrated energy company, have partnered to install a utility-scale battery energy storage ...

CALB to Invest \$2.09 Billion in Portugal Gigafactory for EV Batteries

Feb 26, 2025 · CALB invests \$2.09 billion in a gigafactory in Sines, Portugal, to produce 15 GWh of lithium batteries annually by 2028. This project strengthens Europe's EV battery supply ...

EUR2 billion lithium battery factory for Portugal

Feb 21, 2025 · The project to build a lithium battery factory for cars owned by the Chinese company CALB in Sines, with 15 GWh (Gigawatts/hour) of energy storage, is launched this ...

Energy Storage Sites in Portugal and Spain: Powering the ...

Nov 14, 2024 · Why Portugal and Spain Are Becoming Europe's Battery Hotspots sun-drenched landscapes storing sunlight like squirrels hoarding acorns for winter. That's essentially what's ...

BMZ Group and CALB: a partnership for Europe's sustainable ...

Apr 1, 2025 · BMZ Group - CALB: a new factory in Portugal The growing importance of local and sustainable battery production is exemplified by the recent groundbreaking ceremony for the ...

CALB to Build Two-Billion-Euro Gigafactory in ...

Feb 25, 2025 · Chinese battery manufacturer CALB has confirmed its plans to build a production facility for lithium-ion batteries in Portugal. The factory with ...

Mega Chinese lithium battery factory in Sines at risk

Jul 4, 2023 · Massive project "could represent 4% of Portuguese GDP in 2028" The project by Chinese group CALB to build a mega lithium battery factory in Sines, which could represent ...
