Who makes Rs circuit breaker accessories?

RS is a globally recognised and trusted supplier, distributor, and manufacturer of industrial circuit breakers and circuit breaker accessories. In addition to our own RS PRO line, we carry a wide range of types from top brands, such as MCCBs from Siemens, MCBs from Schneider Electric and even electronic circuit breakers from ABB.

Are circuit breakers safe in Australia?

Yes, all our circuit breakers comply with Australian standards, including AS/NZS 3000:2018, ensuring they meet the necessary safety and performance requirements for electrical installations in Australia. Can I use these circuit breakers in a caravan or RV?

Absolutely.

What is a circuit breaker system?

A circuit breaker system is more than just the breaker itself. It comprises several key components that work in unison to provide reliable and safe

electrical protection, such as the enclosure, trip mechanisms, and terminals. The breaker itself houses the main contacts, which carry the current under normal conditions.

What is the warranty on a circuit breaker?

The circuit breaker is of the same size as a regular one, suitable for a standard-sized din rail mount. A five-year replacement warranty is included with the product. The product comes brand new in packaging. An assurance that the circuit breaker is approved to Australian standards.
