Dubai Communication Base Station Super Capacitor Tender Information Network

Overview

How digital Dubai provides a new service for suppliers?

Digital Dubai is providing a new service for suppliers through publishing the Tenders on the Website. The service will allow the suppliers to submit their quotes and responses safely and securely. To view the published tenders, please check the published tenders in the table below.

How to bid for government contracts in Dubai?

To bid for government contracts, all bidders must register on the designated eProcurement system in Dubai. eSupply is the official Procurement Portal for Dubai Government Tenders. The system displays bidding tenders/RFX's published by about 40 major Dubai Government entities. The entire bidding process is managed online. Visit [eSupply arrow_outward](#).

What is Dubai esupply?

eSupply is the official procurement portal of the Dubai Government. It acts as the single online destination for all suppliers engaged for business with Dubai Government entities. View current tenders of Dubai Government entities. Dubai Municipality provides all tenders and procurements including those that will be launched in future.

How do I register for tender services in Dubai?

Registration is free of charge. For the best experience, use Internet Explorer version 8 or higher when accessing tender services. Registered suppliers can use their existing login credentials from any Dubai Government department to log in and submit bids or tenders, aligning with the One Government principle.
