

## Solar Storage Container Solutions

# Estonian energy storage container manufacturing

## Overview

---

Where is Estonia's largest battery storage facility located?

The flagship battery storage project commenced operations on February 1, only days before cutting ties with the Russian power grid. Estonian state-owned energy company Eesti Energia has inaugurated the nation's largest battery energy storage facility at the Auvere industrial complex in Ida-Viru County.

What is Estonia's Auvere Bess project?

Estonia's Auvere BESS project is designed to participate in both the electricity exchange and other energy markets to ensure the security of electricity supply. According to Eesti Energia board member Kristjan Kuhi, the battery is able to respond very effectively to fluctuations in the power system.

What is Eesti Energia's Energy Plan?

'We are honoured to contribute to Eesti Energia's energy plan for desynchronisation (disconnecting from Russia's grid) in the Baltic countries,' said Kyuwon Heo, Head of Grid ESS Europe at LG Energy Solution. Estonia is targeting an exit from electricity production from shale gas and a 40% renewable energy mix by 2030.

Why did Lithuania announce 800 MWh energy storage tender?

In similar moves, only a day before it began to unplug from Russia's electricity grid and join the EU's network, Lithuania announced 800 MWh energy storage tender to the tune of EUR 102 million (\$ 105 million) with the goal to procure balancing services to the transmission system operator and ensure the resilience of its grid.

Is Tallinn a smarter & greener grid?

a medieval city where cobblestone streets meet cutting-edge energy tech. Welcome to Tallinn, Estonia—a place where grid energy storage materials

aren't just jargon but the backbone of a smarter, greener grid.

When will Estonia & Lithuania disconnect from Russia's grid?

It will come online at the start of 2025, when Estonia and the other Baltic countries Lithuania and Latvia will disconnect from Russia's grid. The complex is located close to the border with Russia in the northeast of Estonia.
