

## Solar Storage Container Solutions

# High quality outdoor breaker in Italy

## Overview

---

Who is breaker?

Today Breaker is a company specializing in the production of machines and small portable equipment for construction, an Italian excellence in the sector of these types of machines, a reality that has been able to combine craftsmanship and industrial development to provide its customers with advanced solutions, complete and cutting edge.

Who makes breaker hammers?

Breaker was founded in Modena in 1982 and after a few years from its foundation becomes a leading company in the electric hammers market producing a product for Black & Decker-Dewalt.

Why did breaker expand its range?

Over the years, Breaker has increasingly expanded its range to meet the needs of its customers and thus consolidates its position in the Italian and international markets.
