

## Solar Storage Container Solutions

# Honduras Shipping Container Wholesale

## Overview

---

How to ship a container to Honduras?

To ship a container to Honduras, you have two options: air and sea. Sea freight transportation is the more popular method of shipping cargo. Airfreight transportation is useful if you have time-sensitive cargo, but it might add to the shipping cost.

How much does it cost to ship from Honduras?

The cost to ship a container from Honduras can range anywhere from \$1,200 – \$6,000, depending on the distance to be traveled and the weight and size of your shipment.

Where can I ship cargo to Honduras?

For your cargo shipping needs to Honduras, the main cargo airports are Ramón Villeda Morales International Airport in San Pedro Sula and Toncontín International Airport in Tegucigalpa. These airports are well-equipped and serviced by several major airlines, ensuring efficient and timely transport of cargo.

What is a container terminal equipment supplier?

It is an equipment supplier for container terminals, railway container terminals and logistics enterprises. System integrator and technical service provider of digital storage yard system solutions. Business Scope
