# Hot sale smart solar inverter in China distributor

## Overview

---

Where can I buy inverter products in China?

Global Sources gives you free access to valid suppliers that specializes in manufacturing and selling high-quality inverter products. Some China wholesale distributors or vendors enable buyers to buy items in bulk online at competitive prices, while others have no minimum order requirement.

Who makes solar inverters in China?

INVT is a Chinese company that was founded in 2001 and is headquartered in Shenzhen, China. It is one of the top solar inverter manufacturers in China. The company specializes in the development, production, and sales of solar inverters, energy storage systems, and related products.

Why should you buy a solar inverter from China?

China is one of the largest manufacturers of solar inverters in the world, and has a large pool of manufacturers and suppliers. This means that there is a wide variety of solar inverters available from different manufacturers, which can provide a competitive advantage for those looking to source from China.

What is a solar inverter?

A solar inverter, also known as a PV inverter, is an electronic device that converts the direct current (DC) electricity produced by solar panels into alternating current (AC) electricity that can be used to power homes, businesses, and the grid.

What is a microinverter solar panel?

Microinverters are a type of inverter that are installed directly on each individual solar panel. Unlike string inverters, which convert the DC power generated by a series of panels into AC power, microinverters convert the DC power generated by each panel into AC power independently.

Who makes Sunrich solar panels?

Sunrich Solar Co., Ltd. provides high-quality solar panels and systems, offering cutting-edge technology and top-tier brands like Growatt, Solis, Longi, and Jinko, in China. Sunrich Solar Co., Ltd. provides high-quality solar panels and systems, offering cutting-edge technology and top-tier brands like Growatt, Solis, Longi, and Jinko, in China.
