# Jamaica solar energy storage products

## Overview

---

Is JSS a good solar company in Jamaica?

Jep Solar Solutions (JSS) is committed to being the best choice for solar energy systems in Jamaica. Through them, we can provide guarantee and warranty on the most efficient solar panels, batteries, and other solar equipment. Performance is guaranteed.

Can Jamaicans invest in solar energy equipment?

According to Roger Chang, President of the Jamaica Solar Energy Association, more Jamaicans can invest in solar energy equipment for their commercial and residential use with the availability of financing institutions.

How do solar systems work in Jamaica?

In Jamaica, solar systems owners can connect to the electricity grid via a Net Billing, Power Wheeling, or Auxiliary Connections contract. This allows them to have access to the Jamaica Public Service Company Limited (JPS) grid, as per the Electricity Act 2015 and subsequent legislation.

Is solar energy a good source of energy for Jamaicans?

For many Jamaicans, solar energy can prove to be an ideal source of power for homes and businesses due to the increase in oil prices and electricity bills. The Government has been encouraging the use of renewable energy, such as solar energy, as a means of reducing electricity costs.

What is the largest solar project in Jamaica?

Paradise Park is the largest solar project in Jamaica. With a US\$65-million investment, it is designed to supply 37 megawatts of power and significantly decrease the country's dependence on fossil fuels.

Who is Jep Solar Solutions?
