## Overview

---

Does Almar Kenya offer gensets?

ALMAR Kenya offer gensets on a rental basis for running reefers in remote locations, or alternatively for reefers on trucks for the transportation of perishable cargo. Flexibility: run reefers without an electrical connection so you are not tied down to a specific location.

Who needs a portable generator?

These portable generators are focused on contractors for personal use, who require portable power at a moment's notice. More intensive use?

If you need something for more intensive use, with higher power levels and extended features then the QEP is the solution for you.

Who is Atlas Copco's portable generator for?

Atlas Copco's portable generators have been made for people who work hard all day, every day!
