# London container generator tender

## Overview

---

What is the London tenders portal?

The London Tenders Portal is the public sector procurement portal for the London boroughs listed in the navigation panel.

How do suppliers use find a tender?

Suppliers can use Find a Tender to search and apply for higher value contracts in the UK's public and utilities sectors. Note: Find a Tender replaced the EU's Tender Electronic Daily for higher value contracts in the UK on 1 January 2021.

How do I Register on the London tenders portal?

To register on the London Tenders Portal click on the Suppliers Area. The tender process will be managed electronically via this service, with tenders being exchanged electronically. Business opportunities will be advertised here regularly and this area will continue to grow as more London Boroughs register with the London Tenders Portal.

What is find a tender?

We publish larger contract opportunities (contracts with an expected value over UK public or utilities procurement thresholds) on HM Government's Find a Tender service. Suppliers can use Find a Tender to search and apply for higher value contracts in the UK's public and utilities sectors.
