Where can I buy electrical equipment in Canada?

Rev-Amp Electrical Equipment Canada Ontario Toronto – Rev-Amp Electrical Equipment LTD. In today's global market, sourcing electrical equipment can come with a hidden cost: tariffs. We stock a large inventory of electrical equipment from all the major manufacturers.

Do you need a circuit breaker for a home renovation?

Electricity is what powers your home. It is always flowing into your space to ensure you have power and comfort. Your circuit breakers and electrical panels need to be up to date to maintain safety. When you're doing a big home renovation, make sure you have good circuit breakers installed, otherwise your hard work could be at risk.

Why do you need a circuit breaker?

In the event of an overload or a short, a circuit breaker will interrupt electrical flow and shut it off. This helps keep you and your family safe by preventing the chances of electrical fire or explosion. Electricity is what powers your

home. It is always flowing into your space to ensure you have power and comfort.
