

## Solar Storage Container Solutions

# Nader circuit breaker factory in Argentina

## Overview

---

Where is Nader made?

Nader's production base is located in Pudong New Area, Shanghai, China, who is the largest miniature circuit breakers manufacturer and supplier at high-end market in China. It's products not only cover our own needs, but also provide OEM services for world-famous electrical appliances manufacturer in Germany, Italy and the United States.

What is the welding technology of products in Nader manufacturing line?

Today we are going to learn about the welding technology of products in Nader manufacturing line. Nader's spot welding workshop adopts fully automatic welding production line, which can fully produce key products and key components, reduce welding defects caused by human factors, and improve product consistency and production efficiency.

Who is Nader?

Nader, is one of the leading manufacturer of high-end low-voltage electrical apparatus industry, and the largest Miniaure Circuit Breaker of high-quality manufacturer in China, who listed at Shenzhen Stock Exchange.

How many automatic detection lines are in a circuit breaker factory?

The three workshops of power distribution, terminal and industrial control are equipped with 26 automatic detection lines. Do you know what manufacturing processes are required for a circuit breaker at factory?

The production of circuit breakers includes six major working procedures: welding, assembly, inspection, electronics, OTS, and tooling.

Who is Nader's overseas market distributor & strategic partner?

As Nader's overseas market distributor and strategic partner, will bring China's leading low-voltage electrical products to the world. Quisure is Nader

brand's authorized overseas market distribution and strategic partner, responsible for promoting, selling, commercial and after servicing Nader brand products.

When will Nader's second production base in Haiyan start construction?

And Nader's the second production base in Haiyan, with an investment of CNY1600 million, has started construction on September 21, 2019. Nader will further strengthen the leading position in the field of high-end circuit breakers after the commissioning of the new manufacture base.
