

Solar Storage Container Solutions

Norwegian multifunctional outdoor power brand

Overview

What is Norwegian outdoor clothing?

From epic fjords to cozy Oslo cafes, Norwegian clothing brings together serious outdoor performance and everyday style. Our collection features the Norwegian outdoor clothing brands that have been crushing it in the mountains for generations—turning wild weather into an opportunity for gear innovation.

Why should you buy Norwegian outdoor gear?

Each brand carries the DNA of Norwegian innovation. These aren't just brands—they're the keepers of Norway's outdoor legacy. Every piece merges time-tested mountain wisdom with fresh innovation. Whether you're plotting summit adventures or just wanting to stay cozy in the cold, this is gear that shows up ready for anything, Norwegian style.

What are the best Scandinavian outdoor clothing brands?

So here are the best Scandinavian outdoor clothing brands based on my own experience, tests conducted by independent third parties, as well as awards such as the Scandinavian Outdoor Awards (sorted by country of origin): Fjällräven is the quintessential Swedish outdoor clothing brand.

Who are Nordic outdoor brands?

The company was founded in 2014 in Tampere, Finland, and is nowadays a member of the Scandinavian Outdoor Group (which features brands such as Peak Performance, Hestra, and Nordisk).

What makes Twentyfour a good brand?

Twentyfour is a popular and fast growing Norwegian outdoor clothing brand. We get our inspiration from the beautiful Norwegian nature and our consumers. Our collections merge sport and fashion in the active lifestyle, outdoor, hiking, alpine and cross-country skiing segments. Fun and function.

That's Gullkorn.

Who are Bergans & Devold of Norway?

Founded in 1908, Bergans has been driven by dedicated and passionate outdoor enthusiasts and played a major role in Norwegian outdoor life for more than a century. Devold of Norway provides high quality wool garments for outdoor lovers, explorers and professionals working in demanding environments.
