Philippines Cebu Portable Power Bank

Overview

Can a passenger bring a power bank onboard Cebu Pacific?

Cebu Pacific (CEB) reminds its passengers on the proper usage and carriage of power banks onboard as required by the Civil Aviation Authority of the Philippines. Passengers may bring power banks with a capacity of up to 100Wh. For power banks with a capacity between 100Wh and 160Wh, passengers can request approval from the check-in counter.

What are the Cebu Pacific Power Bank rules?

Understanding Cebu Pacific Power Bank Rules: When preparing for a flight with Cebu Pacific, passengers should be aware of specific regulations regarding the carriage and usage of power banks. These rules are put in place to ensure the safety and comfort of all passengers and crew members.

Does Cebu Pacific have power banks?

Cebu Pacific has implemented limitations on carrying and using power banks on all their flights. The primary limitations involve the Watt-hour (Wh) capacity of the power bank and the necessity of having it during the flight. Additionally, the use of power banks in-flight is prohibited.

What are the limitations of power banks in the Philippines?

The primary limitations involve the Watt-hour (Wh) capacity of the power bank and the necessity of having it during the flight. Additionally, the use of power banks in-flight is prohibited. These regulations align with the updated guidelines from the Civil Aviation Authority of the Philippines (CAAP).

Can you use a power bank on a plane?

For power banks with a capacity between 100Wh and 160Wh, passengers can request approval from the check-in counter. For safety reasons, using and charging power banks are strictly prohibited during the flight. Passengers must bring their power banks as a hand-carry item and place them in their

pocket or in the seat pocket in front of them.

Can you bring a power bank on a Gokongwei flight?

The Gokongwei-led airline clarified that passengers are permitted to bring power banks with a capacity of up to 100 watt-hours (Wh) onboard. Power banks with capacities between 100Wh and 160Wh, however, will require prior approval at the check-in counter.
