Should I bring an outdoor power bank when I go to Cuba

Overview

I've been tracking, updating and monitoring the Viazul Bus timetable and changes since 2017. I've been sharing it, answering questions, helping with itineraries and since June 2021, more than 50,000 people have used my content on the Viazul Buses to.

Now that we've covered what you should bring to Cuba, and what would be a good idea to take to Cuba, let's take a look at what not to take to Cuba because there are some banned.

I've split these items that you should take to Cuba into logical sections. If you'd like these as a downloadable checklist then [click here](#) and I'll.

Let me start by saying that you don't need to bring things for the locals if you don't want to. However, even in 2025 there are many items that are.

A packing list for Cuba is somewhat different from planning a trip anywhere else, and bringing the right things with you will definitely help.
