

Solar Storage Container Solutions

Swiss Solar Tiles Wholesale

Overview

What is a solar roof tile?

The solar roof tile replaces conventional roof tiles and integrates seamlessly into the roof structure. Solar roof tiles from Schweizer are mounted directly on the roof battens, similar to traditional roof tiles. This eliminates the need for an additional substructure.

What are freesuns solar tiles?

Designed in Switzerland and individually hand-crafted to the highest industry quality standards, Freesuns solar tiles have been developed to last. As a result, they are more robust than normal roof tiles and much stronger than ordinary solar panels. Our tiles can be adapted to any roof with variations in shape, colour, and size.

Where can I buy soltile roof tiles?

The uniform visible surface also facilitates visually attractive roof integration. Soltile is currently available in Switzerland from the company AGZ-Ziegeleien and in Scandinavia from Skarpnes (under the brand name Vatio). The market launch in Germany is being planned.

How do solar roof tiles work?

Solar roof tiles from Schweizer are mounted directly on the roof battens, similar to traditional roof tiles. This eliminates the need for an additional substructure. The size format is equivalent to five flat tiles, further accelerating installation. The uniform visible surface also facilitates visually attractive roof integration.

What is the most powerful solar module in Switzerland?

Find out everything about the M490, our most powerful solar module in Switzerland, which perfectly combines efficiency and aesthetics. Bifacial modules use not only direct sunlight on the front side, but also indirect and

diffuse light on the rear side. Your Swiss solar manufacturer for innovative solar modules and photovoltaics.

What are megasol roof-integrated solar panels?

Give your building an elegant look now with Megasol's roof-integrated solar panels. Use building envelopes as sustainable energy power plants, thanks to facade-integrated solar modules. Uncomplicated and cost-effective – rooftop photovoltaic systems from Megasol are quick and easy to install.
