Tanzania lithium energy storage power supply procurement

Overview

Do firms participate in Zanzibar energy sector support project tenders?

This is based on information obtained from ZECO (Annex 1) which shows considerable level of participation of firms in the tenders floated in 2018 under Zanzibar Energy Sector Support Project financed by Sweden.

What is included in a PESTLE analysis for Zanzibar energy sector transformation project?

The clauses will cover four issues (1) Environment, Health and Safety (EHS); (2) Environmental and social monitoring by contractor; (3) Environmental and social liabilities, and (4) Grievance mechanism for workers. PESTLE analysis for Zanzibar with regard to the Zanzibar Energy Sector Transformation Project is summarized in Figure 6.

Who governs Zanzibar Electricity Corporation?

The Corporation is governed by the board of directors, appointed by the Government, who supervise the ZECO management and ensure the implementation of the Government's policies. The development of the electricity sector in Zanzibar started in the beginning of the 20th century.

Does Zanzibar have electricity?

Currently, the power supply of Zanzibar is 100% dependent on supply from Tanzania mainland. About 50% of the population in Zanzibar is connected to the National Grid. Electricity demand in Unguja is growing very rapidly at an average of about eight percent (8%) per year between 2014 and 2018.

How will Zesta support the transformation of the Zanzibar energy sector?

1. Overview The ZESTA will support the transformation of the Zanzibar energy sector by enabling the first private sector financed grid-scale renewable energy power plant, thereby accelerating efforts toward universal electricity access in Zanzibar.

Will Zanzibar Electricity Corporation be subject to World Bank's Anticorruption guidelines?

The project will be subject to the World Bank's Anticorruption Guidelines, dated July 1, 2016, and beneficiary disclosure requirements. The Zanzibar Electricity Corporation has experience in the procurement and execution of large contracts for goods and it has been managing small contracts for consultant and civil work.
