

## Solar Storage Container Solutions

# Tax rate for imported energy storage battery cabinets in Croatia

## Overview

---

How is VAT charged in Croatia?

VAT is generally charged on a destination-based principle (see the place of supply rules described in the OSS Article), which includes all taxable transactions (described earlier in this article) except those that are otherwise exempt; thus, the VAT Rate is applied to any sales made to Croatia.

What is VAT collectible in Croatia?

VAT collectible = Sale value \* (Standard Rate or reduced Rate as may be applicable) Digital Products are those stored, used, or delivered in electronic format or any such form. Croatia VAT must be applied for such digital products since the Croatia VAT laws align with EU VAT rules. The digital products include the following:.

Do I need a VAT number in Croatia?

Import of Goods in Croatia: The importer must pay and register for VAT (if not covered in the Import One Stop Shop-see our OSS article for details). Export of Goods/ Services: Exporting goods/ services to non-EU countries would require a VAT number.

What are the exemptions from VAT in Croatia?

The legislation provides certain exemptions from the VAT under Articles 39-56 of the Croatia VAT legislation, such as: Universal postal service and related deliveries. Export deliveries and contract processing. Hospital and medical care are performed by the bodies with public authority. Delivering human organs, blood, and breast milk.

Does Croatia VAT apply to digital products?

Croatia VAT must be applied for such digital products since the Croatia VAT laws align with EU VAT rules. The digital products include the following: Software-as-a-Service (SaaS), Platform-as-a-Services (PaaS) or Infrastructure-

as-a-Service (IaaS). Online ads and affiliate marketing. Websites, site hosting services, and internet service providers.

What is the VAT declaration frequency in Croatia?

The VAT declaration frequency in Croatia is as follows: For more information, refer to the official website of the Croatia VAT legislation (Articles 84 and 85). Depending on your filing frequency, you must file your VAT return in Croatia by the 20<sup>th</sup> of the month following the reporting period.
