# UPS battery cabinet equipment

## Overview

---

### How to choose UPS battery cabinets?

Furthermore, the cabinets need to offer removable hinged doors so that the UPS system can be easily accessed. Doors need to be locked for safety and security. UPS Battery Cabinets have to be designed to house most front terminal batteries. Your UPS Battery Cabinets should have removable side panels so that cables can be easily installed.

### Should UPS batteries be installed on racks or in cabinets?

Early on in a UPS design a decision must be made on whether batteries should be installed on racks or in cabinets. Both have pros and cons. The following are typical design considerations.

### Is UPS battery center an original equipment manufacturer?

UPS Battery Center does not imply that any of its products are original equipment manufacturer replacement batteries. Specifications are subject to change without notice. All product and company names are trademarks or registered trademarks of their respective holders.

### Does unified power offer battery cabinets?

Unified Power offers a complete line of battery cabinets for both UPS and Telecom Applications. These cabinets can be configured to match OEM cabinets and offer a competitive option for system upgrades or new projects. Features Space saving foot print is the industry's most compact design.

### What equipment do I need to install the ups cabinet?

To install the Liebert EXS 10-20kVA UPS cabinet, you will need mechanical equipment such as an electric forklift to unload and move the heavy equipment to the installation site. Additionally, all installation tools used on live components must be insulated for safety reasons.

What are Arimon battery cabinets?

Arimon uninterruptible power supply (UPS) backup battery cabinets are available for either front access batteries or top terminal (monobloc) batteries. All battery cabinets are constructed from heavy gauge steel with a durable welded frame and acid resistant powder coated finish available in a wide range of colors.
