Wellington Energy Storage Battery Enterprise

Overview

Who owns the Wellington Battery energy storage system?

AMPYR Australia has announced the acquisition of Shell Energy Australia's 50% stake in the Wellington Battery Energy Storage System (BESS) in New South Wales. This acquisition makes AMPYR the sole owner of the 1,000 megawatt-hour (MWh) project.

What is the Wellington Battery energy storage system (BESS)?

The Wellington Battery Energy Storage System (BESS) is planned to be developed in the central west New South Wales (NSW), Australia. The project will comprise a grid-scale BESS with a total discharge capacity of around 400MW. AMPYR Australia, a renewable energy assets developer in the country, owns 100% of the BESS project.

Which is the largest battery storage project in NSW?

This will make Wellington BESS one of the largest battery storage projects in NSW. Wellington is being constructed at 6773 and 6909 Goolma Road, Wuuluman NSW 2820. The project site is situated within the Central-West Orana Renewable energy Zone (CWO REZ), in the Dubbo Regional Council local government area (LGA).

What is the target capacity of the Wellington Bess?

The target capacity of the Wellington BESS is 500 MW / 1,000 MWh, making it one of the largest battery storage projects in NSW. The Wellington BESS will connect to the adjacent TransGrid Wellington substation, adjacent to the Central West Orana Renewable Energy Zone (Central West Orana REZ).

Does ampyr own the Wellington Bess project?

Ampyr now owns 100% of the 400MW Wellington BESS project in New South Wales. Ampyr Australia has acquired Shell's 50% stake in the 300MW Wellington battery energy storage system (BESS) in New South Wales. With its

Wellington BESS stage two project (100MW), Ampyr now owns 100% of the 1000MWh Wellington project.

Where is the Wellington Battery located?

The existing Wellington substation is very strategically located within the NSW energy grid. The output from both stages of the Wellington Battery represents the demand from over 60,000 homes. This fund has been established with Dubbo Regional Council (DRC), allocating \$2 million to the local community over the Battery's life.
