# Wholesale battery and storage in Pakistan

## Overview

---

What batteries are available in Pakistan?

Common products available in Pakistan are AGS GR87 Battery, AGS GR-46 Battery, AGS HB-50 Battery, and AGS GX-165 Battery. Buying a new battery for your home or automobile certainly isn't easy. This is especially true in Pakistan, due to the lack of information available online. People assume you'd know everything and just visit the local vendors.

Which is the largest storage battery manufacturer in India?

Exide Industries Limited is the largest storage battery manufacturer in the country and has pioneered battery technology in India for over 60 years. It is the only company in South and South East Asia which designs and manufactures lead acid batteries from 2.5 Ah to 20400 Ah.

How much does a tubular battery cost in Pakistan?

The minimum price for a tubular battery in Pakistan is Rs. 15,000 and the average price is Rs. 80,000.

What makes a good battery brand in Pakistan?

In Pakistan's battery industry, various brands focus on quality, reliability, performance, honesty, accountability, and integrity to create a sense of ownership among consumers. These points help the industry grow and thrive.

Who are Volta & Osaka batteries?

As an ISO 9001, ISO 14001 & ISO 45001 certified company, we have been producing various types of automotive and inverter batteries, under the brand name of VOLTA & OSAKA batteries, since 1989. This was initially done with technical support from Chloride Industrial Batteries Limited, UK.
