Wucaiwai New Energy Small Container Station

Overview

Xinjiang Tianchi Energy Sources and China Datang have proposed a power station of four units of 660 MW for Changji city. The project feasibility report was submitted in 2013. The first two units are under construction. Units 3-4 are permitted for construction.

Unit 1 was commissioned on June 24, 2019. Unit 2 was commissioned on June 28, 2019. Unit 4 was commissioned in September 2019, and unit 3 in October 2019.
