Xiaomi outdoor power bank for charging new energy vehicles

Overview

How does Xiaomi power bank work?

This performance is backed by Xiaomi's intelligent charging technology, supporting fast charging in both input and output modes. The power bank comes with three output interfaces: a built-in USB-C cable, a USB-C port, and a USB-A port, allowing simultaneous charging for up to three devices.

What is Xiaomi wireless charging power bank?

The Xiaomi Wireless Charging Power Bank is specially optimized for Xiaomi Mi 9. - Support 10W Qi wireless fast charging. - Charge three devices simultaneously, 1 wireless and 2 wired. - Support QC3.0, PD3.0 protocol, maximum input, and output power reaches 18W. - Support intelligent FOD metal foreign object detection and protection.

What are the key specs of the Xiaomi power bank?

Let's check out its key specs. The Xiaomi power bank features a massive 20,000mAh battery capacity powered by two 10,000mAh lithium-ion cells. These cells deliver an effective rated capacity of 12,000mAh (5V/3A) and an energy rating of 74Wh, meeting international aviation standards, ensuring it's safe to carry on flights.

Which Xiaomi power bank is best?

The Mi 10000mAh Power Bank Pro is one of Xiaomi's best power banks yet. The company has been producing high-quality power banks for a while. It can charge very quickly and includes 18W fast charging on both ends, allowing it to fully charge most smartphones in under two hours.

Does the Xiaomi Mi power bank 3 support low-power charging?

The Xiaomi Mi Power Bank 3 also supports low-power charging so that you can charge wearables and other low-power devices from it as well. It can sometimes be the case that power banks can't output a low enough current

that your device can accept. The Xiaomi Mi Power Bank 3 retails at CNY199 in China, roughly \$30.

How much does a Xiaomi power bank cost?

Xiaomi has launched its latest 20,000mAh 22.5W power bank with a built-in cable in the Chinese market. It is priced at 129 yuan (\$18) and will be available for its first sale on January 2 at 10:00 AM on JD.com. Let's check out its key specs.
